☛ We recently went through our very extensive shop stock of priced album pages, and extracted those which had been sitting in stock for too long. These had a short spell of being available in the shop individually at reduced prices, but we're now clearing some of them as wholesale lots (others are still in our shop at 50% off). They are offered here in groups by area. For each lot we're noting an approximate number of pages, and the total retail price (retail prices are sometimes half catalogue price, usually less than that, and sometimes less than 10% catalogue). All pages are still in their clear bags, but we're happy to take these back to use again if they're not wanted.

**THIS IS HOW YOU CAN BID;**

**In Person.** This is a public auction, and bids are made in person at the auction in the traditional manners.

**By post.** Please use the Bid Form supplied, and send first class.

**Telephone bids** will be accepted at any time before the sale (but the earlier the better). These bids should be confirmed in writing (post or email), even if the written confirmation will not reach us until after the auction. Numbers are 0131 552 1220, or 0131 478 7021 up to about 2pm on sale day, after which use the mobile number.

A mobile number (07974 962649) can be called on the afternoon and evening of sale only. Please speak to someone – no texts, no recorded messages. If no answer, just try again (we can be busy !).

**E-mail bids** should be sent to us at [auction@stamp-shop.com](mailto:auction@stamp-shop.com) at any time from the moment you receive this catalogue until 2.45pm on Monday 17 February. Please do not e-mail bids to us after that time. Please use the format and wording used on the bid form that comes with your auction catalogue, and include your postal address. (We have a back-up email address of [stamps@blueyonder.co.uk](mailto:stamps@blueyonder.co.uk) in case of problems.) We normally confirm receipt of email bids within 24 hours (not on the Sunday before the auction, and usually within one hour on the auction day). If you do not get an email confirmation from us within that time, please try again, or phone.

**CREDIT CARDS**

We are happy to accept MasterCard and Visa credit card payments, as well as payments by Debit Card. This facility can be used by room purchasers (who pay their accounts at the auction), by other local customers (who pay their bill in our shop), and by postal buyers.

In order to deal with postal clients, our bid forms have been designed to make space for credit or debit card instructions.

If you want your purchases charged in this way, please complete the appropriate section.

**Do not** complete these details unless you want to pay by card, **and to have the lots posted.**

The Auction Venue is 650 metres West of our Shop, on Ferry Road. It has its own car park.

The bar (upstairs) is open 6-10pm and also serves a variety of food, teas and coffees. Please note that we do not allow drinks at the viewing tables, but you are welcome to bring drinks down from the bar once the auction has started.

Remember the Buy or Bid Sale, which runs from 5pm until 5 minutes after the main auction finishes - you can buy items outright at the “buy” price, or place a bid at or above the “upset” price.

**IMPORTANT; Viewing Arrangements for “Not-To-Auction” Lots.**

This relates to all lots in this auction which have the “[1a]” symbol in their description, signifying that they will not be taken to the auction venue. It will be arranged so that these lots can be viewed at our shop premises on auction day, and that purchases can be collected that same evening.

{a} In addition to the normal viewing arrangements noted above, any lots marked “[1a]” can be viewed at our smaller shop at 1A Inverleith Gardens, on Monday 17<sup>th</sup> February from 3pm to 6.45pm. Should there be pressure on available space, viewing will be at the discretion of our staff.

{b} After purchasing and paying for any “[1a]” lots at the auction venue, customers can take their receipted invoice to our shop and pick up these lots, from 8pm until ten minutes after the last customer has been cleared through accounts.

{c} Customers can still opt to collect their lots from us later in the week during shop opening hours.

{d} There is no parking directly outside 1A, so customers will have to park a little further along Inverleith Gardens. While we can lend you a trolley, there will be no available staff to carry boxes.

Phoning for results ? Note that our shop does not open until noon on a Tuesday, and we do not normally answer the phone on the day after the auction until after that time.

Follow us or connect online – as well as our main website at [www.stamp-shop.com](http://www.stamp-shop.com) we can be found on social media by searching for “**Robert Murray Stamp Shop**” on Facebook and LinkedIn.

Our Website will still be the first port-of-call for most information, but the Facebook page is a useful place for extra auction pictures, plus news, updates, snippets, and comments.

**FORTHCOMING AUCTIONS;** Our next auction is planned for early c.May 2020. This auction is conducted according to the “Philatelic Auctioneers Standard Terms and Conditions of Sale” (available if requested), with the exception of Clause 6, where “Scottish” should be substituted for “English”.

**A Buyer’s Premium of 12% (inclusive of global v.a.t.) will be added to the sale price of all lots.**

Telephone bids are accepted, but must later be confirmed in writing. Alternatives and limits are accepted.

*Material can be accepted at any time for inclusion in future sales. Our commission is 12% of the sale price, plus administration fee of £1.70 per lot + £7 per vendor (all plus v.a.t.). Full details on request.*

**We DO NOT charge buyers a handling charge per lot, nor is there VAT added to any sale prices.**

*Please bid early. In the case of equal bids, the lot will be sold to the person whose bid was received first (unless free bidding in the room equals the top book-bid, although the Auctioneer will try to regulate the bidding in such a way as to avoid this).*

Apart from viewing the lots in person, you can get a better description of any lot, by telephoning or writing. (Photocopies are available, at a minimal plus postage, or request scans by email.)

**Remember the Buy or Bid Sale - bring items along on the night. We will try to sell them for you, at a charge of 10% + 50p (optional insurance 1% extra). Have a look at what’s on offer before and during the main auction. You can buy items outright or place a bid.** (Larger lots delivered to our shop are charged £1 per lot entry fee.)

*The annual subscription for our auction catalogues is currently £10 for inland addresses. If you are not already on our mailing list, please send us £10 with a note of your name and address. Regular bidders and buyers may qualify for free renewal. Rates abroad are European countries £15, Overseas £20.*

**Successful postal bidders should note that postage stamps are not an acceptable means of paying your account.**

*Prices realised for this sale will be published with our next catalogue. If you are not normally on our mailing list, the List of Prices Realised can be had by simply sending us a stamped addressed envelope. Alternatively, you can be put on our auction mailing list (see above).*

The telephone number at the Stewart’s-Melville Pavilion is 0131.551 2331 (mobile 07974 962649).

*Open Bids (“Buy Bids”) are not normally accepted. If such bids are made, they will be taken to mean a bid of ten times the printed estimate.*

Any invoices remaining unpaid fourteen days from the auction date (or after delivery to a postal buyer) will attract interest at the rate of 2% per month or part thereof.
