◆ 25 November 2019 ◆

This date, though fairly firm, is still provisional. The publication of the auction catalogue is confirmation of the date.

Follow us or connect online – as well as our main website at www.stamp-shop.com we can be found on social media by searching for “**Robert Murray Stamp Shop**” on LinkedIn and Facebook. Our Website will still be the first port-of-call for most information, but the Facebook page is often used to pop up interesting bits of news or information, as well as having extra auction illustrations.

Remember the Buy or Bid Sale, which runs from 5pm until 5 minutes after the main auction finishes - you can buy items outright at the “buy” price, or place a bid at or above the “upset” price.

NORMAL BIDDING STEPS

We list here our normal bid steps for your information. This may be of help to bidders who are unable to attend the sale, as any written bids received which do not fit our normal pattern would usually be taken down to the next normal step. Euro Currency; We are happy to accept Euro cash payments in our shop. We normally allow the market rate rounded down to the next whole penny. For example, at the time of writing, the market rate is 0.8891, so we are allowing 88p per Euro (which is probably better than your bank will give you). You can also pay for lots in this auction by Euro banknotes (postal customers please confirm before sending). We also accept payments in our shop in Euros, and we buy some old “legacy” currencies, as well as other coins and notes.

Email bids are acknowledged within 24 hours (1 hour on auction day). If no reply from us, please resend.

Any lots marked “[1a]” will not be taken to the auction venue, and have to be collected from our shop (see notes on page 21).

WATERMARK WORKSHOP
Saturday 19th October in Perth
See page 22

THIS IS HOW YOU CAN BID;

In Person. This is a public auction, and bids are made in person at the auction in the traditional manners.

By post. Please use the Bid Form supplied, and send first class.

Telephone bids will be accepted at any time before the sale (but the earlier the better). These bids should be confirmed in writing (post or email), even if the written confirmation will not reach us until after the auction. Numbers are 0131 552 1220, or 0131 478 7021 up to about 2pm on sale day, after which use the mobile number.

A mobile number (07974 962649) can be called on the afternoon and evening of sale only. Please speak to someone – no texts, no recorded messages. If no answer, just try again (we can be busy !).

E-mail bids should be sent to us at auktion@stamp-shop.com at any time from the moment you receive this catalogue until 2.45pm on Monday 7 October. Please do not e-mail bids to us after that time. Please use the format and wording used on the bid form that comes with your auction catalogue, and include your postal address. (We have a back-up email address of stamps@blueyonder.co.uk in case of problems.) We normally confirm receipt of email bids within 24 hours (not on the Sunday before the auction, and usually within one hour on the auction day). If you do not get an email confirmation from us within that time, please try again, or phone.

CREDIT CARDS

We are happy to accept MasterCard and Visa credit card payments, as well as payments by Debit Card. This facility can be used by room purchasers (who pay their accounts at the auction), by other local customers (who pay their bill in our shop), and by postal buyers.

In order to deal with postal clients, our bid forms have been designed to make space for credit or debit card instructions.

If you want your purchases charged in this way, please complete the appropriate section.

Do not complete these details unless you want to pay by card, **and to have the lots posted.**

The Auction Venue is 650 metres West of our Shop, on Ferry Road. It has its own car park.

The bar (upstairs) is open 6-10pm and also serves a variety of food, teas and coffees. Please note that we do not allow drinks in the auction room during viewing, but you are welcome to bring drinks down from the bar once the auction has started.

IMPORTANT; Viewing Arrangements for “Not-To-Auction” Lots.

This relates to all lots in this auction which have the “[1a]” symbol in their description, signifying that they will not be taken to the auction venue. It will be arranged so that these lots can be viewed at our shop premises on auction day, and that purchases can be collected that same evening.

{a} In addition to the normal viewing arrangements noted above, any lots marked “[1a]” can be viewed at our smaller shop at 1A Inverleith Gardens, on Monday 7th October from 3pm to 6.45pm. Should there be pressure on available space, viewing will be at the discretion of our staff.

{b} After purchasing and paying for any “[1a]” lots at the auction venue, customers can take their receipted invoice to our shop and pick up these lots, from 8pm until ten minutes after the last customer has been cleared through accounts.

{c} Customers can still opt to collect their lots from us later in the week during shop opening hours.

{d} There is no parking directly outside 1A, so customers will have to park a little further along Inverleith Gardens. While we can lend you a trolley, there will be no available staff to carry boxes.

We are looking for a strong-backed willing worker to help at this and subsequent auctions from 1.30pm in the afternoon till circa 10.30pm. This might suit a student who is available on Mondays and we pay the national living wage to anyone who does the job, even if they are under 25.

Remaining auction dates for this year are 7th October and 25th November. Please spread the word !

SCOTEX – see announcement on opposite page.

Three things of note;

{1} **We will be there** as usual with a trade stand, where we hope to make some sales from the stock we'll have along, as well as meeting up with clients old and new.

{2} It is possible that we'll be able to bring along **purchases from this auction** for successful buyers. Small lots only on the Friday, larger lots might be possible on Saturday.

If you have auction material you want to leave with us for a future sale, please note that we'll only have space for bulkier items on the Friday. Forewarning welcome !

{3} Robert Murray will be presenting a **“Watermark Workshop”** on the Saturday morning of Scotex at 10am.

“A theoretical and practical session, explaining the need for, and production of, watermarks, before moving on to looking at different methods of watermark detection. You'll see how they work, get a chance to try out the various detectors, and have many potential problems explained. Hopefully by the end of the one-hour session you'll be better trained at this important philatelic skill.”

These have always been popular when done at our shop, and this gives a chance for collectors from the Perth area, or who will be visiting Scotex, to attend. It will be held in one of the upstairs meeting rooms at the Dewars Centre.

Limited to ten participants, tickets are £9, and should be bought in advance (from our shop, online at www.ticketsource.co.uk/murray, or from our Scotex stand if any spaces remain.

FORTHCOMING AUCTIONS; Our next auction is planned for 25 November 2019. This auction is conducted according to the "Philatelic Auctioneers Standard Terms and Conditions of Sale" (available if requested), with the exception of Clause 6, where "Scottish" should be substituted for "English".

A Buyer's Premium of 12% (inclusive of global v.a.t.) will be added to the sale price of all lots.

Telephone bids are accepted, but must later be confirmed in writing. Alternatives and limits are accepted.

Material can be accepted at any time for inclusion in future sales. Our commission is 12% of the sale price, plus administration fee of £1.70 per lot + £7 per vendor (all plus v.a.t.). Full details on request.

We DO NOT charge buyers a handling charge per lot, nor is there VAT added to any sale prices.

Please bid early. In the case of equal bids, the lot will be sold to the person whose bid was received first (unless free bidding in the room equals the top book-bid, although the Auctioneer will try to regulate the bidding in such a way as to avoid this).

Apart from viewing the lots in person, you can get a better description of any lot, by telephoning or writing. (Photocopies are available, at a minimal plus postage, or request scans by email.)

Remember the Buy or Bid Sale - bring items along on the night. We will try to sell them for you, at a charge of 10% + 50p (optional insurance 1% extra). Have a look at what's on offer before and during the main auction. You can buy items outright or place a bid. (Larger lots delivered to our shop are charged £1 per lot entry fee.)

The annual subscription for our auction catalogues is currently £10 for inland addresses. If you are not already on our mailing list, please send us £10 with a note of your name and address. Regular bidders and buyers may qualify for free renewal. Rates abroad are European countries £15, Overseas £20.

Successful postal bidders should note that postage stamps are not an acceptable means of paying your account.

Prices realised for this sale will be published with our next catalogue. If you are not normally on our mailing list, the List of Prices Realised can be had by simply sending us a stamped addressed envelope. Alternatively, you can be put on our auction mailing list (see above).

The telephone number at the Stewart's-Melville Pavilion is 0131.551 2331 (mobile 07974 962649).

Open Bids ("Buy Bids") are not normally accepted. If such bids are made, they will be taken to mean a bid of ten times the printed estimate.

Any invoices remaining unpaid fourteen days from the auction date (or after delivery to a postal buyer) will attract interest at the rate of 2% per month or part thereof.
